- ✓ Label printer, scanner and register device set up
- ✓ Owner and staff logins, receipts with your ABN
- ✓ Training for owner and staff, on site
- ✓ Help by phone or email for 30 days after go-live
- ✓ Use of the software for as long as you like

OPTIONAL

Updates & support plan

Price on request

Choose it any time. Stop any time; the POS keeps working.

- ✓ New versions and fixes installed
- ✓ Automatic off-site backups, checked
- ✓ Help line for staff questions
- ✓ Remote fixes where possible
- ✓ New features as they're released

$0 **a month after setup**

No terminal rental, no POS subscription, no lock-in contract. Card fees are paid only to your own card provider (e.g. Square), per sale.

Not included in setup

- Hardware: use your own if it meets the technical requirements, or we quote a bundle (computer, TSC label printer, scanner)
- Card reader, from your card provider
- Label rolls and other consumables
- Card provider fees (paid to your provider)
- Products beyond 100, or data from old systems
- Travel outside our service area

Add-ons as they become available

- Supplier ordering and reorder lists
- NFC tags and hands-free counter scanning
- Electronic shelf labels
- Card reader linked to the register

Each quoted when released.
